Club Requirements to Provide Parent Helpers

Each club will be required to meet a 1:10 Parent helper to athlete ratio. This will be enforced strictly and clubs may not be allowed to compete if these parent helpers are not at the briefing.

Please note that while over 40 parent helpers will be required during the beach events, we will only need 20 for the water based events. This will result in a lot of parent helpers being released after 10:30am.

Event Draws

Event draws will be made as the athletes are marshalled.
