

## Saturday 6<sup>th</sup> and Sunday 7<sup>th</sup> February 2010 South Brighton Beach, Christchurch

# RESULTS

Summer finally found its way to the beach to shine on the 2010 Southern Ocean Athlete Championships. The event was attended by 275 of the top under16 surf life saving athletes from around the South Island. Saturday started with beach flags before heading to the water to complete tube and board rescues which were followed by the surf race and board race. The 2km beach relay involving 27 teams of 4 competitors rounded off the day. St Clair from Dunedin was leading the club points after the first day with 2009 defending champions South Brighton languishing in second place.

The weather gods played their part on Sunday holding back dark skies in the morning and allowing a little bit of sunshine in the afternoon. The beach sprints restarted proceedings before heading to the water for the run-swim-run, board relays, ski, ironman and diamond races.

The event finished in spectacular style with the grand Cameron relay being watched by the Governor General the Honourable Sir Anand Satyanand as well as Surf Life Saving New Zealand chairperson Graeme Cullen. With a close battle including a disqualification of South Brighton A, St Clair took out the relay from Waimairi followed by Taylors Mistake. The relay was followed by a demonstration by the Westpac rescue helicopter before the prizegiving and address from the Governor General.

South Brighton's coach's must have given some hard words overnight as their team came out firing and stormed through the days events to take over the lead from St Clair to win the overall top club award.
