

The Beach Ed Song by Simon Kay

Intro - E, G#, A, A

E G#
I'm a lifeguard, He's a lifeguard

A E
Swimming in the sea can be pretty hard

E G#
If you're ever in trouble, just put up your hand

A A
I promise to bring you back to the sand

E G#
I'll pull you out of the sea, put you in my IRB

A B
Cheer you up with a hot cup of coffee

E G#
I'm going to teach the 10 surf safety rules

A E
If you don't learn them you can only swim in the pools

E G#
1-Between the flags is where you should always swim

A A
Otherwise your future could look #grim

E G#
2-Always have an adult watch over you

A E
It's even better if there are two

E G#
3-If a lifeguard gives you a piece of advice

A A
Make sure you listen or you will pay the price

E G#
4-Never swim or surf alone

A E
I shouldn't have to say that is pretty well-known

E G#
5-If in doubt don't go out

A B
Even if it's really hot because of the drought

E G#
I'm a lifeguard, he's a lifeguard

A E
Swimming in the sea can be pretty hard

E G#
If you're ever in trouble just put up your hand

A A
I promise to bring you back to the sand

E G#
I'll pull you out of the sea, put you in my IRB

A B
Cheer you up with a joke, and then we'll all say hehe

E G#
6-Slip, slop, slap and wrap, be sun smart

A A
Otherwise your skin will turn as red as your heart

E G#
7-Make sure you can recognise a rip

A E
It's seriously dangerous once they get a grip

E G#
8-Always make sure your equipment is correct

A A
Otherwise you will float away and end up shipwrecked

E G#
9-Never swim when you're tired or cold

A E
Cause then hypothermia will grab a hold

E G#
10-Consider all the other surf users

A B
As a collision with a surfer will leave you with bruises

E G#
I'm a lifeguard, He's a lifeguard

A E
Swimming in the sea can be pretty hard

E G#
If you're ever in trouble, just put up your hand

A A
I promise to bring you back to the sand

E G#
I'll pull you out of the sea, put you in my IRB

A B
Cheer you up with your favourite lolly

E G#
It's important to know how to swim in the sea

A A
If you want to be as cool as me

E G#
Now can anyone tell me all of the rules?

A B
Or is this just a class full of fools.
