NOTE: U23 men & U19 Men race in the same races, the best performing U19 crews results are listed separately on the day, the same for Open Women & U21 women also U19 Women, they race together and the U23 / U19 results are listed and announced separately.

Social Function

There will be a social function at the Piha SLSC following racing.

Piha is an event that includes a number of Australian crews. In order to allow all New Zealand crews the ability to contest semi- final and final racing separate semi- final and finals will be held that will contribute to the New Zealand Surf Boat Series points. The top kiwi crews will then challenge the Aussies in a Kiwi/Aussie final but this will not contribute to standing within the New Zealand Surf Boat series. (Should time allow)

The Piha event organisers advise that floatation vests should be worn by all competitors and also helmets are to be worn if the surf is anything like what Piha is normally like (read into that that should surf size be above 1.5 mtrs helmets must be worn) , back up beach is Orewa.
