- We appeal to clubs to only enter athletes in events that they intend on competing in. We will be using the Meet Manager system throughout the Pool Championships to do all changes and online results.
- Competitors can only compete in any event once. E.g. U12 boy cannot compete in the 4x50m U12 Boys Obstacle Relay and the 4x50m U12 Mixed Obstacle Relay.

All entry fees will be calculated via the online entry system following the close of entries and your club will be invoiced directly (fees mentioned on page 1). The new entry system allows clubs to download a quote for the event to use as reference which can be found at the bottom of the event entry page.

Time Keepers:

A large number of time keepers are required to ensure the successful running of the 2015 NZ Pool Championships. As such, each competing club will be required to supply timekeepers during some if not all of the sessions. On close of entries clubs will be emailed the exact session times and the number of time keepers they will require. We require a total number of 80 timekeepers to cover all sessions. The number your club will require will be based on total number of entries that your club has. The timetable included with this mail out was based on last year's entries to give you an indication of what your requirement may be. Penalties may be imposed to those clubs who fail to meet this requirement.

Event Rules and Events Contested:

Please visit www.surflifesaving.org.nz/clubhouse for a copy of the NZ Pool Competition Manual which contains detailed information about the rules and the events that will be contested at the 2015 event. The 2015 New Zealand Pool Championships will be conducted under the rules as published in the NZ Pool Competition Manual, 50m Pool (Updated July 2015). This manual is based upon the International Life Saving (ILS) World Championship Rules.

Points Score:

The following points will be awarded for all Surf Life Saving events for the purpose of awarding top club honours.

- a. Individual Event points awarded are: 3pnts for first, 2pnts for second, 1pnt for third
- b. Team Event points awarded are: 5pnts for first, 3pnts for second, 1pnt for third

Event Times and Proposed Programme:

The following is a general indication of the Event Timetable and Competition Programme and should only be used as a guide at this stage. A detailed daily timetable of events will be prepared and circulated once final entry numbers are received.

Eligibility of Competitors:

This competition is open to any SLSNZ affiliated club. Without the following details your members will not be eligible to compete nor will they be able to be entered through the online entry system. SLSNZ reserve the right to limit the number of competitors per event.

1. Current Members (i.e. must not be stored in the 'Last Season Members' or 'Historical Members' folder on the PAM Database).
2. Have a DOB recorded on the PAM Database.
3. Have a PRIMARY membership with the club they intend to compete for (membership status displayed in the 'Membership' tab of the individual in the Database)
4. Team substitutes must be registered in some capacity in the event using the substitution event entry name.

Please Note:

- It is not a requirement of the event that competitors hold the Surf Lifeguard Award.
- Combined club teams for relays will not be permitted.
- All competitors, including possible substitutes, are to have met all of the eligibility criteria outlined above by the close of entries.

Age:

The NZ Pool Events programme are scheduled before the Beach based events for the current season and therefore a competitor's age group is determined by their age as at midnight on 30th September 2015. This is to allow athletes to remain in the same age group for the entire season.

For example, if you are 14 on the 30th of September 2015, you are not eligible to race in the U14 age group and will be in the U16 age group.

Please Note:

1. All competitors must be aged 10 years or older before midnight 30th September 2015 to be eligible to compete in the Swim Championships.
2. Masters must be aged 30 years or older before midnight 30th September 2015 to be eligible to compete in that age group.
3. Competitors (individual and team events) may compete in age groups as detailed below:
 - U12 may compete in U12, U14 events, U16, U19 and Open events
 - U14 may compete in U14 events, U16, U19 and Open events
 - U16 may compete in U16, U19 and Open events
 - U19 may compete in U19 and Open events
 - Open can only compete in Open events
 - Masters may compete in Masters and Open events
4. Competitors can only compete in any event once (individual and team events), for example an U19 competitor wishing to compete in the 50m with Fins must choose either the U19 or Open event, not both. The patient for the line throw in the U19 age group cannot become the 'rescuer' or 'patient' in the Open age group.
5. The 50m obstacle swim has been classified as the same event as the 100m obstacle swim. This means that U12 athletes can only enter one of these events – either their own age group, or they can choose to swim up in a 100m obstacle swim but not both.
6. U12 and U14 competitors may not compete in any manikin event.
7. U12 and U14 competitors may not compete in any Line Throw event.
8. Although the way has been paved for U14 competitors to compete up in a number of events coaches and team managers are encouraged to use their discretion with regards to this ruling and take into account the welfare of their athletes.

Team Substitutes:

As stated in (e) above, all team substitutes must be registered in some capacity in the competition. This means that if an athlete is competing in any event for example the 50m Swim with Fins, they are registered for the overall event.

In some instances clubs have to substitute members for their team events which can be problematic if the person who is the substitute is not competing in any other event. Therefore any potential substitutes (who are not already competing) must be entered into the Substitutes event. This is to allow fairness to all by ensuring that all eligibility criteria are met.

Please Note:

Event substitutes are charged \$10.00 entry fee per competitor (GST inclusive).

Individual entries cannot be substituted for by another competitor; only team entries as outlined in the Surf Sport Competition Manual.

Site Plan:

West Wave Pool and Leisure Centre is located in Henderson, in the heart of West Auckland, and is proud to be part of the Auckland community. To view West Wave Pool facilities visit www.westwave.co.nz.
