### Eligibility of Competitors:

This competition is open to any SLSNZ member. Without the following details your members will not be eligible to compete nor will they be able to be entered through the online entry system.

- Current Members
- Have a DOB recorded on the SLSNZ Database
- Have a PRIMARY membership with the club they intend to compete for
- Be a refreshed Surf Lifeguard for the current season OR a newly qualified Surf Lifeguard in the current season
- Team substitutes must be registered in some capacity in the event (see notes below)

SLSNZ reserve the right to limit the number of competitors per event.

### Team Substitutes:

As stated in (e) above all team substitutes must be registered in some capacity in the competition. This means that if an athlete is competing in any event for example the surf race they are registered for the event. In some instances clubs have to substitute members for their team events which can be problematic if the person who is the substitute is not competing in any other event.

**Therefore any potential substitutes (who are not already competing) must be entered into the event 'Substitute'.**

This is to allow fairness to all by ensuring that all eligibility criteria are met.

### Age group:

Age group is determined by the competitor's age at midnight on 30<sup>th</sup> September 2017. For example, if you were 18 on the 30<sup>th</sup> September 2017, you are eligible to compete in the U19 division.

For all **Individual Events** the age groups which athletes will compete in are: U16, U19, and Open. Athletes are allowed to compete in more than one age group. However, no races will be 'held' or delayed for an athlete.

### Competition Safety Plan:

The Competition Safety Plan will be made available through the website [here](#) prior to the event commencing. The document is also available for viewing in the Event Management Area.

### Competition Safety Vests:

The wearing of high visibility vests will be mandatory at this event. Supplying safety vests is a club responsibility and must be in line with the SLSNZ guidelines for safety vests. This information can be found [here...](#)

### Parent, Guardian, Coach, Team Manager and Club Obligations:

It is the responsibility of clubs, through their coaches and manager, to ensure that each individual competitor is competent to **safely** compete in the conditions that prevail on any given day.

It is therefore the clubs responsibility to ensure that competitors who are not yet competent to compete in the prevailing conditions are withdrawn from an event rather than expose them to unnecessary risk or potential harm by encouraging or coercing competitors to compete, particularly against their will. Please refer to statement (e) of the **Agreement to be bound by the Manual** section of the **Surf Sports Competition Manual**. The Manual can be found [here...](#)

It is the expectation of the organisers that all clubs will only permit competent competitors to compete in an event.
