Welcome to the 2018 Hawke's Bay Surf Life Saving Championships. The Hawke's Bay Championships has a proud history of being not only the largest local Surf Life Saving Event in Hawke's Bay, but the most competitive, exciting and fun!

This document provides you information on the programmed order of events and in which arena they will be held each day. However, Surf Life Saving competitions are notorious for programme changes as surf and weather conditions change. Please be attentive to any announcements made by marshalls within each arena.
