- b) Have a DOB recorded on the PAM Database.
- c) Have a PRIMARY membership with the club they intend to compete for (membership status displayed in the 'Membership' tab of the individual in the Database)

## Age

A competitor's age group is determined by their age as at midnight on 30th September 2017. For example if you were 20 by the 30th of September 2017, you are ineligible to compete in the Under 20 division.

## Team Substitutes

As stated in (d) above, all team substitutes must be registered in some capacity in the competition. In some instances clubs have to substitute members for their team events which can be problematic if the person who is the substitute is not competing in any other event. Therefore any potential substitutes (who are not already competing) must be entered into the Team Substitutes Event. This is to allow fairness to all by ensuring that all eligibility criteria are met.

**Please Note:** The event Substitution Event has a \$10 cost associated with it and will be billed out to clubs along with their team entries. Individual entries cannot be substituted for by another competitor; only team entries as outlined in the Surf Sport Competition Manual.
