

# 2018 BP Surf Rescue Championships

## Fuel Order Form

**Club:** \_\_\_\_\_

This year for IRB Events clubs are required to pre order their fuel amount prior to the competition which will be on-charged to the club following the event. SLSNZ will purchase all the fuel as per the orders and each club will be issued with the total amount they ordered prior to the event starting.

***Please note that clubs with large volumes of fuel ordered will be issued daily amounts to maintain supply levels for all clubs entered.***

The fuel collection station will be open on Saturday and Sunday mornings from 6.30am - 8.00am before racing starts, and also throughout the day upon request.

Crews will need to bring their own fuel containers that can take the full amount of fuel the club has ordered for racing. SLSNZ will have a fuel disposal drum available at the fuel station for any old fuel in those containers.

Please respect the environment and dispose of all or any unwanted fuel responsibly.

Crew Name/Division	Fuel Required in Litres
