Event Entry Process

Entries are made by using the SLSNZ Online Event Entry System.

To access the EnterNow system please follow this link and use your club allocated password details as sent to the club administrators. <http://slnz.enternow.co.nz/enternow-app/slnz>

Please note:

- **Late Entries:** There will be no late entries permitted.
- **Team Manager's contact** details must be updated on the online system to ensure that the relevant person receives all updated information directly. Failure to list a team manager may mean that you will miss out on vital information.
- **Entering Teams:** You must enter the required number of people as specified for team events otherwise your entry in that event will not be accepted. This will be shown as an incomplete entry as per below:

RELAYS		
NAME	EVENT	STATUS
North Beach SLSC	Open Boys - 200 Open 4x50 Medley Relay	Incomplete

Good News....

We will be Marshalling and Resulting on the Waves iPad system as we do on the beach. The benefit of this is that there will be no need for Team Managers to fill out scratching forms, only athletes present at Marshalling will be allocated positions in heats. For correct records, Team Change forms will still need to be completed. There will be no penalty fees for No Shows under this system.

All entry fees will be calculated via the online entry system following the close of entries and your club will be invoiced directly (fees on page 1). The entry system allows clubs to download a quote for the event to use as reference which can be found at the bottom of the event entry page.

Eligibility of Competitors:

This competition is open to any SLSNZ affiliated club. Without the following details your members will not be eligible to compete nor will they be able to be entered through the online entry system. SLSNZ reserve the right to limit the number of competitors per event.

1. Current Members (i.e. must not be stored in the 'Last Season Members' or 'Historical Members' folder on the PAM Database).
2. Have a DOB recorded on the PAM Database.
3. Have a PRIMARY membership with the club they intend to compete for (membership status displayed in the 'Membership' tab of the individual in the Database)
4. Team substitutes must be registered in some capacity in the event using the substitution event entry name.

Please Note:

- It is not a requirement of the event that competitors hold the Surf Lifeguard Award.
- All competitors, including possible substitutes, are to have met all of the eligibility criteria outlined above by the close of entries.

Age Requirements:

The NZ Pool Events programme are scheduled before the Beach based events for the current season and therefore a competitor's age group is determined by their age **as at midnight on 30th September 2018**. This is to allow athletes to remain in the same age group for the entire season.

For example, if you are 14 on the 30th of September 2018, you are not eligible to race in the U14 age group and will be in the U16 age group.

Please Note:

1. All competitors must be aged 10 years old before midnight 30th September 2018 to be eligible to compete in the Swim Championships.
2. Masters must be aged 30 years or older before midnight 30th September 2018 to be eligible to compete in that age group.
3. Competitors (individual and team events) may compete in age groups as detailed below:
 - U12 may compete in U12, U14 events, U16, U19 and Open events
 - U14 may compete in U14 events, U16, U19 and Open events
 - U16 may compete in U16, U19 and Open events
 - U19 may compete in U19 and Open events
 - Open can only compete in Open events
 - Masters may compete in Masters and Open events
4. **Competitors can only compete in any event once** (individual and team events), for example an U19 competitor wishing to compete in the 50m with Fins must choose either the U19 or Open event, not both. The patient for the line throw in the U19 age group cannot become the 'rescuer' or 'patient' in the Open age group.
5. The 50m obstacle swim has been classified as the same event as the 100m obstacle swim. This means that U12 athletes can only enter one of these events – either their own age group, or they can choose to swim up in a 100m obstacle swim but not both.
6. U12 and U14 competitors may not compete in any manikin event.
7. U12 and U14 competitors may not compete in any Line Throw event.
8. Although the way has been paved for U14 competitors to compete up in a number of events coaches and team managers are encouraged to use their discretion with regards to this ruling and take into account the welfare of their athletes.

Team Substitutes:

In some instances clubs have to substitute members for their team events which can be problematic if the person who is the substitute is not competing in any other event. Therefore any potential substitutes (who are not already competing) must be entered into the Substitutes event. This is to allow fairness to all by ensuring that all eligibility criteria are met.

Please Note:

Event substitutes are charged \$10.00 entry fee per competitor (GST inclusive).

Individual entries cannot be substituted for by another competitor; only team entries as outlined in the Surf Sport Competition Manual.

Time Keepers

A large number of time keepers are required to ensure the successful running of the Eastern Regional Championships. As such, each competing club will be required to supply timekeepers during some if not all of the sessions. On close of entries clubs will be emailed the exact session times and the number of time keepers they will require. We require a total of 40 timekeepers to cover all sessions. The number your club will require will be based on total number of entries that your club has. The timetable included with this mail out was based on last year's entries to give you an indication of what your requirement may be.

Event Rules and Events Contested:

Please visit www.surflifesaving.org.nz/clubhouse for a copy of the NZ Pool Competition Manual which contains detailed information about the rules and the events that will be contested at the 2018 event. **The 2018 Eastern Regional Pool Championships will be conducted under the rules as published in the NZ Pool Competition Manual, 25m Pool – Full Distance Events (Updated May 2017).**

Additional Junior Relay event: 8 x 25m Super Mega Relay (amended 16/7/18)

The first competitor swims 25m freestyle without fins. The second competitor swims 25m freestyle with fins. The third competitor swims 25m freestyle without fins. The fourth competitor swims 25m freestyle with fins....and so on. **This team should consist of 1 male and 1 Female from each of the four age categories (U11, U12, U13 and U14)**.**

**Composite teams may be entered, and younger athletes may be substituted for older athletes if clubs do not have sufficient numbers to fill a team.

Masters Events and Points (Event #1 only)

Masters events have been added, with 10 year age categories (30-39, 40-49, 50+) with all Masters points contributing towards overall Club totals.

Points Score:

The following points will be awarded for all Surf Life Saving events for the purpose of awarding top club honours.

- a. Individual Event points awarded are: 3 points for first, 2 points for second, 1 point for third
- b. Team Event points awarded are: 5 points for first, 3 points for second, 1 point for third

Ribbons and Medal Presentation:

Ribbons will be awarded to all place getters in all U11, U12, U13, U14 events. To save time, speed up the programme, and allow the athletes and everyone else involved to get their required breaks, at the end of each session ribbons will be placed in a set of cubby holes provided for each club attending. Overall Team and Individual Points will be accumulated over the 2 events. Top Club and Individual Medals will be awarded to the top overall Male and Female athletes in each Age Category at the conclusion of racing at the end of each session at event #2.

From this point forward, information will only be sent to those listed as the Team Manager on Entry Spreadsheet; however the latest information will also be available on the NZ Events Calendar section of the SLSNZ website [here](#).

Please do not hesitate to contact us if you have any questions or queries regarding this event. We look forward to seeing you all at the event.

Kind regards,

Scott Bicknell
Interim Sport Manager – Eastern Region
Surf Life Saving New Zealand
