

Life Saving Manager – Central Region

(Permanent Full time)

Surf Life Saving New Zealand is currently looking to employ a Life Saving Manager in the Central Region. This position will be based in Wellington and reports to the Central Region Manager.

The purpose of this role is to manage all aspects of the Surf Lifesaving program in the Central Region.

The Life Saving Manager will support the implementation of SLSNZ's Lifesaving strategy by coordinating the delivery of national and regional programmes throughout the region. Working closely with other Central Region staff and Surf Life Saving personnel nationally, the position will be a key link between the Regional Management plan and programme delivery.

It is important that the successful candidate has a friendly and approachable manner and is able to build good relationship with clubs, sponsors and other internal and external stake holders in the Central Region. Effective communication skills both written and oral and a commitment to a high standard of customer service are essential for this role.

Surf Life Saving knowledge and experience along with broad experience dealing with Volunteers at a club level would be helpful.

The closing date for all applications is 5pm Friday 22nd February 2019.
