

# Intermediate Lifeguard School

*In it for life*

## Course Overview

Intermediate Lifeguard School is designed to provide junior lifeguards with the skill development, knowledge and further understanding to develop as a lifeguard. The school is a dynamic combination of theory and practical based sessions to enhance the candidate's learning through a variety of situations. The Intermediate Lifeguard School is delivered over two full days and is a great opportunity for junior lifeguards to become more confident and capable lifeguards.

The target audience for this course is lifeguards who have been patrolling for 1-2 seasons and are ready to further develop their lifeguarding skills.
