

## Draft Programme – February 7, 2019

**Dates:** Thursday 7 March – Sunday 10 March, 2019  
**Venue:** Mt Maunganui Beach

Welcome to Oceans' 19,

This document provides you information on the programmed order of events and in which arena they will be held each day. However, Surf Life Saving competitions are notorious for programme changes as surf and weather conditions change. Please be attentive to any announcements made by marshalls within each arena.

The water arenas for each age group will be decided once conditions have been assessed. The order on this programme is not an indication of the order of the placement on the beach. Team managers will be told which arena each age group will race in at the team managers meeting on Thursday morning.

In the event that we have adverse conditions some arenas may be moved to Shark Alley or Pilot Bay.
