

# Entry Submission U16 Male & Female Iron Person/Diamond Events

### Conditions of Re-entry

- As per the original decision, competitors will need to choose between the Diamond and the Ironperson events, they cannot do both as the programme simply does not allow for athletes to compete in both events.
- Competitors must already be entered into the TSB Nationals 2019, we cannot accept late entries into the whole event.
- Entries will only be accepted into the races below from 7:00pm (Seniors Team Managers Meeting) until Noon Friday 22<sup>nd</sup> March.
