Event Safety, Event Safety Crews

As per the Event Organiser's safety requirements: Approved buoyancy aids **MUST BE WORN** on the water for all ski paddlers.

We have arranged for buoyancy aid dispensation for all SLSNZ board paddlers as long as they are a qualified/refreshed Lifeguard.

Club Event Safety Requirement:

It has been requested, that where your Club is able to, they contribute an IRB and Crew to assist with Event Guarding. It is by covering the Event Water Safety for this event that SLSNZ has enabled heavily subsidised Entry Fees.

If you would like to be a part of the Event Safety Crews or RWC Team, please contact Mark Inglis. My details can be found at the end of this flyer.

If you have any further enquiries, please do not hesitate to contact me.
