BUILDING MORE COMPETENT AND CAPABLE LIFEGUARDS

## TEAM MANAGER CIRCULAR

Surf Life Saving New Zealand

## Event Overview

The BP Surf Rescue South Island Championships is an event filled with hard, fast, and action-packed racing. With the New Zealand Championships being held at the same venue one month later, the competition is set to draw crews from throughout the country to showcase their surf skills, fitness and experience amongst their pairs.

The competition includes several events, requiring varying levels of technical skill and physical fitness. With surf and weather conditions constantly changing, this type of competition has proved to be one of the more exciting competitions on the Surf Life Saving calendar.

Making another appearance at Waikouaiti Beach, we invite you to celebrate the skills and experience of some of Surf Life Saving New Zealand's very best IRB Crews as they compete for their friends and against their fellow athletes.

## Event Safety

### Pre-Existing Medical Conditions

All participants with a pre-existing medical condition must complete and submit a 'Pre-Existing Medical Conditions Declaration' form prior to the close of entries. These forms are to be submitted to the Event Assistant (Scott Bicknell) by email to [scott@bicknellconsultants.com](mailto:scott@bicknellconsultants.com). However, participants are encouraged to submit these as early as possible.

Once submitted, the forms will be reviewed by SLSNZ and a decision will be made on whether a 'Competitor Waiver' form is required to be completed.

These forms are available through the website [here](#).

### Competition Safety Plan

The Competition Safety Plan will be made available through the website [here](#) prior to the event commencing. The document is also available for viewing in the Event Management Area during the event. The missing person at sea reflex tasking can be found in **Appendix Two** of the entry circular.

### Competition Safety Vests

The wearing of high visibility vests will be mandatory for participants for the Tube Rescue event only. Lifejackets are to be worn by participants at all other times. Supplying safety vests is a club responsibility and must be in line with the SLSNZ guidelines for safety vests. This information can be found [here](#).

### Parent, Guardian, Coach, Team Manager and Club Obligations

It is the responsibility of clubs, through their coaches and manager, to ensure that each individual competitor is competent to **safely** compete in the conditions that prevail on any given day.

It is therefore the clubs responsibility to ensure that competitors who are not yet competent to compete in the prevailing conditions are withdrawn from an event rather than expose them to unnecessary risk or potential harm by encouraging or coercing competitors to compete, particularly against their will. Please refer to statement (e) of the **Agreement to be bound by the Manual** section of the **Surf Sports Competition Manual**. The Manual can be found [here](#).

It is the expectation of the organisers that all clubs will only permit competent competitors to compete in an event.

### Warm Up

Please note that all SLSNZ rules and regulations apply during warm up, as they do during the event. Please ensure compliance and follow the instructions of Event Management Staff.

The fuel station will be open on Saturday 16<sup>th</sup> March between 6.30am and 8.00am before racing starts. The location of the fuel station is shown on the site plan and can be found in **Appendix Four** of the Entry Circular

Clubs will need to bring their own fuel containers that can take the full amount of fuel the club has ordered for racing. SLSNZ will have a fuel disposal drum available at the fuel station; please respect the environment and dispose of all or any unwanted fuel responsibly. The Fuel Order form can be completed online [here](#).
