

BP SURF RESCUE NEW ZEALAND CHAMPIONSHIPS

RUAKAKA BEACH, RUAKAKA
4-5 APRIL 2020

BUILDING MORE COMPETENT AND CAPABLE LIFEGUARDS

OFFICIALS CIRCULAR
Surf Life Saving New Zealand

Event Overview

The BP Surf Rescue New Zealand Championships has a proud history of being one filled with hard, fast, and action-packed racing. The largest Inflatable Rescue Boat racing competition on the Surf Life Saving calendar, crews from throughout the country will line up to showcase their surf skills, fitness and experience amongst their pairs.

The competition includes several events, requiring varying levels of technical skill and physical fitness. With surf and weather conditions constantly changing, the competition has proved to be one of the most exciting competitions of the Surf Life Saving calendar.

Making an appearance at Ruakaka Beach, we invite you to celebrate the skills and experience of some of Surf Life Saving New Zealand's very best IRB Crews as they compete for their friends and against their fellow athletes.

Officials Circular

Travel Subsidies

We appreciate that many of you drive a long way to get to the different venues to ensure our National Championship Events are run, therefore we will compensate officials at the following rate.

35c per KM and up to \$150.00 for within the same Island and \$300.00 when crossing Islands. These subsidies will be calculated and paid into your bank accounts 2-3 weeks post event.

Accordingly, please notify the Event Assistant of the kilometres you will travel via an online form [here](#).

Event Safety

Pre-Existing Medical Conditions

All participants with a pre-existing medical condition must complete and submit a 'Pre-Existing Medical Conditions Declaration' form prior to the close of entries. These forms are to be submitted to the Event Assistant (Scott Bicknell) by email to scott@bicknellconsultants.com. However, participants are encouraged to submit these as early as possible. Once submitted, the forms will be reviewed by SLSNZ and a decision will be made on whether a 'Competitor Waiver' form is required to be completed.

These forms are available through the website [here](#).

Competition Safety Plan

The Competition Safety Plan will be made available through the website [here](#) prior to the event commencing. The document is also available for viewing in the Event Management Area during the event. The missing person at sea reflex tasking can be found in [Appendix Two](#) of the entry circular.

Competition Safety Vests

The wearing of high visibility vests will be mandatory for participants for the Tube Rescue event only. Lifejackets are to worn by participants at all other times. Supplying safety vests is a club responsibility and must be in line with the SLSNZ guidelines for safety vests. This information can be found [here](#).

Parent, Guardian, Coach, Team Manager and Club Obligations

It is the responsibility of clubs, through their coaches and manager, to ensure that each individual competitor is competent to **safely** compete in the conditions that prevail on any given day.

It is therefore the clubs responsibility to ensure that competitors who are not yet competent to compete in the prevailing conditions are withdrawn from an event rather than expose them to unnecessary risk or potential harm by encouraging or coercing competitors to compete, particularly against their will. Please refer to statement (e) of the **Agreement to be bound by the Manual** section of the **Surf Sports Competition Manual**. The Manual can be found [here](#).

It is the expectation of the organisers that all clubs will only permit competent competitors to compete in an event.
