Car Parking and Gear trailer parking

we ask that **all Cars and gear trailers** be parked at Churchill Park, the hours that this will be open will be the following:

Friday 10th January - 4pm – 7pm for parking

Saturday 11th January - 7am – 9pm for parking

Sunday 12th January – 3pm onwards for leaving

If you need to get access to the reserve outside of these hours please contact Dave Corrin on 027 432 5694 and he can arrange someone to open the gate for you.

We ask that all competitors and spectators take care in crossing the road, and where possible utilize the zebra crossing.

Security

There will be security working surveilling Churchill Park and club tents down to Midway SLSC. Their hours of operation will be:

6pm on Friday 10th January to 7am Saturday 11th January

6pm on Saturday 11th January to 7am Sunday 12th January

Waves & RFID Tags

This event will be run using the Waves system & will require all athletes to have RFID tags.

No tags = no racing

If individuals are missing tags, please contact the Regional Sport Manager with a full list of Names by the Close of Entry date.

Clashing of Events / Age Categories

To try and meet proposed programme timings we have had to implement the following:
We will not be holding events for any competitor. If your competitor is not on the line ready then they will not start in that heat, semi, or final.

U16 M & F Iron & Diamond: U16 athletes will need to choose one or the other of these events. Event timings will not allow entry into both

Individual Events: athletes may only compete in their specific age group. They will not be able to compete up for this event. For example, an U19 athlete will have to compete in the U19 age category, they will not be able to compete up in the Open age category.

Teams Events: athletes may compete up in age groups to fill team positions, however they may only compete in any team event once, ie in one age category. **The entry system cannot monitor this, we will be placing our trust in the team coaches that this will be adhered to.**

Programming

The order of events in each arena for Individual Event Finals will be:

Open

Under 19

Under 16

Canoes

Dependent on craft availability we will look to merge some divisions where we can. We will look to complete U19 and Open events together.

Event Equipment

All clubs are required to supply their own competition equipment which must comply with the SLSNZ equipment specifications as specified in the SLSNZ Equipment Specifications Manual.

Dune Protection

As per all our events dune protection is the responsibility of everyone and as SLS members please make sure you look after our beaches and sand dunes. The SLS Clubs along this coastline have been working closely with the council to maintain the dunes. If you see anyone walking through the dunes or placing equipment in areas they shouldn't be please advise them to remove it or inform the event management office.

Presentations

At the end of the day's events we will be presenting medals to all 1st, 2nd, and 3rd place getters in each event that was contested. At the conclusion of the event we will be awarding medals to the overall Male and Female winners in each of the Age Categories, and the Ralph Morse Shield and the Bay of Plenty Top Club Trophy (historical trophies), Awarded to the Top Club from Gisborne and the Bay of Plenty/Coromandel respectively.

Event Manager

If you have any further enquiries, please do not hesitate to contact Mark Inglis or Renee Wikaire, Event Managers. SLSNZ look forward to seeing you all at the event.
