8.6 **Competition Site Plan** (subject to change dependant on conditions)

8.7 Alternative Competition Site Plan

Due to the variety of surf and weather conditions that can be experienced, determining an alternative site plan without this knowledge can be very complex. As a result, an alternative site plan will be established on the day between the Event Manager, Event Referee and Event Safety Officer, taking into the consideration the surf and weather conditions. Most likely it will be transferred to Ohope Harbour/Port Ohope Boat Ramp.
