Competition Entry Circular

Canterbury Senior Interclub #1
Spencer Park, December 5th 2020

v2

ENTRY INFORMATION

Competition Purpose:

First senior interclub in Christchurch for the 2020/2021 season. Racing will start 9:00am at Spencer Park SLSC.

For this event we will be trying an A/B grade format for individual craft events, rather than age groups. This allows competitors to rank themselves and compete against similar ability competitors from throughout the region. U15s will stay in their own age group for these events.

Surf Race and Team Events will be one open grade.

Beach Flags will be raced as U15-U17 combined, and U19-Masters Combined

Event like these help ensure our lifeguards are keeping fit, and skilled amongst a variety of disciplines emulating what they may have to do as a lifeguard.

This document provides you with all the information you need to know in order to enter this event. While it contains the typical logistical information surrounding the event, it also incorporates very important details that a parent and/or guardian must be aware of before entering their child into this event.

Entering Our Competition:

Entries may be made using the SLSNZ Online Event Entry System. Your club has access to this system and will process your entries.

Entries Open: Monday 23rd November

Entries Close: Wednesday 2nd December, 11:00am

Eligibility of Competitors: Please see Section 2.2 of the SLSNZ Surf Sport Competition Manual for a comprehensive breakdown of eligibility criteria.
Note: Local criteria is that Masters' competitors must be refreshed lifeguards to compete at Christchurch local interclub events. As per Section 1.1.4 of the SLSNZ Surf Sport Competition Manual.

Know Your Rules:

This event will be conducted under the rules contained in the following documents.

[SLSNZ Surf Sport Competition Manual](#), including any additional amendments as detailed on the website and any additional requirements as communicated by the Event Management Committee. Please note that the Manual has recently been updated to the 9th Edition (V3).

Additionally, members entering this event are bound by the following rules:

- [SLSNZ Constitution](#)
- [SLSNZ Regulations](#)

- [SLSNZ Code of Conduct](#) (Note: The Event Management Committee reserve the right to exclude competitors from further competition for poor or 'un-sportsman like' behaviour. This also applies to parents, managers and supporters)
- [Drug Free Sport New Zealand](#)
- [SLSNZ Sport Policies](#)

Copies of these documents are available from the SLSNZ website.

Age Groups:

Age group is determined by the competitor's age at midnight on 30th September 2020. For example, if you were 19 on the 30th September 2020, you are not eligible to compete in the Under 19 division.

Team Substitutes:

All team substitutes must be registered in some capacity in the competition. This is to ensure compliance with event entry eligibility requirements.

COMPETITION SAFETY INFORMATION

Competition Safety Plan:

The Competition Safety Plan will be made available for viewing in the Event Management Area following the team managers and officials briefing and during the event.

Parent, Guardian, Coach, Team Manager and Club Obligations

It is the responsibility of clubs, through their coaches and manager, to ensure that each individual competitor is competent to safely compete in the conditions that prevail on any given day.

It is therefore the clubs' responsibility to ensure that competitors who are not yet competent to compete in the prevailing conditions are withdrawn from an event rather than expose them to unnecessary risk or potential harm by encouraging or coercing competitors to compete, particularly against their will. Please refer to statement (e) of the Agreement to be bound by the Manual section of the Surf Sports Competition Manual. The Manual can be found [here](#).

It is the expectation of the organisers that all clubs will only permit competent competitors to compete in an event.

Dune and Environment Protection

As per all our events dune and environment protection is the responsibility of everyone and as Surf Life Saving members please make sure you look after our beaches and sand dunes. If you see anyone walking through the dunes or placing equipment in areas they shouldn't be, please advise them to remove it or inform event management. Please make sure all rubbish is placed in the bins supplied or taking with you.

Missing Person at Sea Responsibilities

Whether you are an Athlete, Official, in an IRB, Team Manager/Coach or a spectator, we all have a role to perform if someone goes missing in the water during an event or activity. Check out your role and how you may help in this situation by [clicking here](#).

Equipment:

Equipment Labelling

All equipment needs to be clearly labelled with the club for which the athlete/s is racing for. It is recommended that this be placed on an easily identifiable area i.e. the front/centre of the board, between the two straps, or for skis, clearly labelled on the nose and/or tail

Wetsuits

Wetsuits, or other foam type outer garments, shall be permitted in the case of events only in water of 16 degrees Celsius or less. The Referee may authorise the wearing of wetsuits dependent upon weather, water or marine conditions. Wetsuits are subject to random scrutineering. Wetsuits can be used up to a maximum of 5mm with a tolerance of +/-0.5mm.

Helmets

The Event Management Committee reserves the right, if conditions warrant, to require canoe and boat crews to wear helmets. All clubs should bring helmets to the competition in the event that conditions warrant their use.

Scrutineering

Random scrutineering may take place at the discretion of officials, with particular regard to craft and/or equipment that may pose a health and safety concerns. With consideration to the above, we encourage all participants to carry out an inspection of their equipment for sharp edges that could cut in advance of the competition.

Competition Safety Vests

The wearing of yellow high visibility vests will be mandatory at this event. Supplying safety vests is a club responsibility and must be in line with the SLSNZ guidelines for safety vests. This information can be found in the Equipment Specification Manual [here](#).

Medical Information:

Pre-Existing Medical Conditions

All participants and officials with a pre-existing medical condition must complete and submit a 'Pre-Existing Medical Conditions Declaration' form prior to the close of entries. These forms are to be submitted to the Regional Sport Manager (Luke Smith) by email to luke.smith@surflifesaving.org.nz. However, participants are encouraged to submit these as early as possible. Once submitted, the forms will be reviewed by SLSNZ and a decision will be made on whether a 'Competitor Waiver' form is required to be completed.

It is important to note that that a pre-existing medical condition includes a **concussion event** that has occurred prior to this event.

Concussion Protocol

1. Any person diagnosed with concussion within the 23 days (21 days for over 19 yrs.) preceding a SLSNZ event or activity, who is not able to provide evidence of a Graduated Return to Play (GRTP), and provide a medical diagnosis and SLSNZ Medical Clearance, will not be permitted to compete in a SLSNZ event.
2. Any person observed or reported to have been unconscious during a SLS event is not permitted to participate in any further SLS event or activity, pending participation in a 23 day GRTP (21 days for over 19 yrs.), and provide a SLSNZ Medical Clearance before further competition is permitted.
3. Any person suspected of a concussion during a SLSNZ competition may not participate in any further races for at least 24 hours, and must provide SLSNZ with the required SLSNZ Medical Clearance before further participation is permitted.
4. Any person suspected or diagnosed with concussion who wishes to return to a SLSNZ competition must provide SLSNZ with a copy of a SLSNZ Medical Clearance, which is to be completed by a medical practitioner, prior to returning to competition.

COVID-19 (novel coronavirus)

New Zealand is currently at Alert Level 1.
