## **Age Groups by Arena: (U8 & U9) (U10) (U11 & U12) (U13 & U14)**

Please note that the age groups listed are dependent upon the number of entries and surf/weather conditions. Age group is determined by the competitor's age as on 30th September 2020. For example if you are 11 on the 30th September 2020, you will race in the U12 age group.

## **Missing Persons at Sea Protocol**

Any lifeguards/parents who are competent swimmers please bring fins, goggles, wetsuit jacket or wetsuit so they can assist if there is a missing person at sea. Please ensure all Team Managers, coaches and parents are familiar with the missing persons at sea system.

## **200M BADGE**

All junior members who wish to use foam or fibreglass paddleboards and/or swim beyond waist depth must hold their 200m safety badge. This is a mandatory safety requirement which demonstrates that junior members are confident in the ocean and capable of returning to shore if they are separated from their equipment. The badge must be displayed on each individual competitor's beanie or togs.

## **Events**

- The events listed are dependent upon the number of entries and surf/weather conditions.
- The rules for each of these events can be found in the [Surf Sports Competition Manual](#).
- Flag teams  
Essential flags but with a surf teams style points system. Teams of four will work together to finish with the most accumulative points. Points will be awarded to every individual participant as they are eliminated. Team totals will be added up at the end.

Before the event starts, every participant will be randomly spread out over the Snake.

A round of flag teams will consist of a full rotation of the head of the Snake. A new "Round" will begin every time, the head of the Snake, enters /re-enters the arena regardless of if the tail of the previous round has run.

### **Points**

With every "Round" a participant survives, the points they are awarded upon elimination increases by 1. For example, in a snake of 10 teams of 4 (40 people), everyone eliminated before the head of the Snake re-enters the arena will receive 1 point. In the Follow round, everyone eliminated will receive 2 and so on.

Two participants will be eliminated every run until there are less than 9 participants. After this point, the order will be randomized every round, and only 1 participant will be eliminated each round.

## Club Requirements to Provide Officials/helpers

All clubs must provide at least one official with good knowledge of the events in order to assist our officials based on the ratio of one official per 10 athletes. Clubs with under 10 participants are not required to provide assistance unless they have capacity to do so. Unfortunately teams/athletes are not permitted to participate unless they have the required parental/adult support ratios. Additional parent helper, qualified lifeguard for water safety assistance would also be of assistance to run this carnival effectively.

## Club Points and Presentations

Medals will be given for first, second, third place in each event age group and will be presented at the conclusion of the each arena racing at the base of the club house.

Club points will be allocated for all finals as follows –

Team results -1<sup>st</sup> Place – 5 points; 2<sup>nd</sup> Place – 3 points; 3<sup>rd</sup> Place– 1 point.

Individual results 1<sup>st</sup> Place -3 points; 2<sup>nd</sup> Place – 2 points; 3<sup>rd</sup> Place- 1 point

Composite teams will be allowed to enter to give competitors the opportunity to compete in additional events but no points will be awarded to any composite teams.

## Notes

Club gear trailers can be parked at allocated spaces on Papamoa Domain – refer to attached site plan and details for early entry to Papamoa Domain.
