## What is happening?

Some individuals report they are not receiving the text message inviting them to join SLSNZ's Operational Risk Assessment APP.

## Why is it happening?

If your club has already lodged your user details along with any relevant SLSNZ and/or Club role/s to your Regional Manager, then you should have received a text message inviting you to logon to Connectteams which is the APP platform on which SLSNZ's ORA operates. If you have not received this invite, then - *Download the Connectteams APP from the Play Store for android devices or the APP Store for iPhones. Once downloaded, simply login using your mobile number, follow the instructions and you should have immediate access.* If you have any issues then contact [ross.merrett@surflifesaving.org.nz](mailto:ross.merrett@surflifesaving.org.nz)

## When is it happening?

If your club has already submitted your user details to your regional manager, then access should be available to you now.

## What does it mean to me?

If you are a patrol captain, deputy patrol captain, coach, instructor, examiner, or club H&S officer then you should be using this ORA APP regularly for all training, coaching and patrol duties. Refer to SLSNZ's [Operational Risk Assessment NSOP](#)
