

Central Region Championships – CRC & CRJC's

Event Memo #3 – Surf Boats & Canoe – 6/01/2020

Kia Ora Team,

Please find below some further information for various events in the programme based on questions that have been received in the lead up to the Central Region Champs.

Surf Boats & Canoes

Saturday 9th Jan 2021

Team Managers Meeting – 0800

Sweeps Meeting – 0930

First Race – 1000

Please notice the start time for Surf Boats has been pushed back even further. This is due to the high tide & beach access issues in the morning.

All Surf Boats and Canoe trailers will be loaded on the beach from the East End access ramp at the southern end of the beach.

No Surf Boat / Canoe Trailers are to be parked in the Fitzroy Carpark.

Below is the updated programme.

In it for life

All Surf Boat and Canoe trailers will begin being loaded from East End at 0730, so ensure that your trailers are parked near the East End reserve. We do require a team member to be with the trailer when getting connected up to the tractor.

Key suggestion would be to either park your trailers there this evening or very early tomorrow morning, as there is an event on at the East End Reserve, so to avoid any clashing with that event please park your surf boats in the desired spot below.

Pro tip be there at 6am.

Crew Entries Changes

If any teams have any crew member changes, please let the event admin team know at the Team Managers meeting tomorrow.
