

IRB Changes in 2021

The **IRB Manual** had a full update in 2021.

Review these key changes below (and in the manual). You **MUST** read through these **BEFORE** completing your practical assessment.

IRB Manual Chapter	Key Changes
EQUIPMENT & FUEL	Changes made to the "Fuel" section to clarify and add PPE requirements.
COMMUNICATION and MARITIME REGULATIONS	Changes made the Maritime Regulations section – review all content carefully.
IRB SET UP	Minor changes made to this section.
BASIC SKILLS and TECHNIQUES	MAJOR change to the "returning to shore" section – review content carefully.
RESCUES	Changes made to the "Patient lift and carry" process – review change carefully.
IRB CLOSEDOWN and OPERATIONS	Minor changes made to these two sections.
