

NT151-21 National Operations Circular – Safety, Welfare & Risk

Date: 17/09/21

To: All Members

From: National Safety, Welfare and Risk Manager

Description: Club Operational Risk Assessment (ORA) User Import Template File submissions

Action Requested: Club administrator or designated person to download, complete and return the required file by 28 Sept 2021

What is happening?

SLSNZ is replacing the current Connectteams Operational Risk Assessment (ORA) APP with an alternative solution by Site Docs. All clubs and designated users are expected to use the ORA prior to commencement of any on water club activity, operation, training or event. Clubs need to complete the Club Operational Risk Assessment (ORA) User Import Template File which can be found [here](#).

Why is it happening?

To provide clubs with access to the replacement ORA APP.

When is it happening?

Clubs need to download, complete and submit the Club Operational Risk Assessment (ORA) User Import Template File as soon as practicable, and prior to 28 Sept 2021 to access the new ORA APP on or about 1 Oct 2021.

What does it mean to me?

Clubs who complete and return the Club Operational Risk Assessment (ORA) User Import Template File prior to 28 Sept 2021 will have access to the new ORA APP on or about 1 Oct 2021.
