## Officials:

If we require any additional Officials outside of the Officials EOI, we will implement the Ratio Policy based on attendance numbers as is needed.

## Time Keepers:

A large number of time keepers are required to ensure the successful running of the Eastern Regional Championships. As such, each competing club will be required to supply timekeepers during some if not both days. On close of entries clubs will be emailed the exact times and the number of time keepers they will require. We require a total of 18-24 timekeepers to cover each session. The number your club will require will be based on total number of entries that your club has.

## Event Rules and Events Contested:

Please visit the [SLSNZ website](#) for a copy of the NZ Pool Competition Manual which contains detailed information about the rules and the events that will be contested at the 2021 event. At this stage the 2021 Eastern Regional Pool Rescue Championships will be conducted under the rules as published in the NZ Pool Competition Manual, 50m Pool (V4 update). This manual is based upon the International Life Saving (ILS) World Championship Rules.

## Masters Events and Points:

Masters events have been added, with 10 year age categories (30-39, 40-49, 50+) with all Masters Points contributing towards overall Club totals.

## Points Score:

The following points will be awarded for all Surf Life Saving events for the purpose of awarding top club honours.

- a. Individual Event points awarded are: 3 points for first, 2 points for second, 1 point for third
- b. Team Event points awarded are: 5 points for first, 3 points for second, 1 point for third

## Ribbons and Medal Presentation:

Ribbons will be awarded to all place getters in all U11, U12, U13, U14 events. To save time, speed up the programme, and allow the athletes and everyone else involved to get their required breaks, at the end of each session ribbons will be placed in a set of cubby holes provided for each club attending.

Medals will be awarded to the top overall Male and Female athletes in each Age Category at the conclusion of racing on Saturday and Sunday afternoon.

From this point forward, information will only be sent to those listed as the Team Manager and coaches on Entry Spreadsheet; however, the latest information will also be available on the NZ Events Calendar section of the [SLSNZ website](#).

Please do not hesitate to contact me if you have any questions or queries regarding this event. We look forward to seeing you all at the event.
