Where: Spencer Park SLSC
Address: Heyders Road, Bottle Lake, Christchurch
Time: 9:00am start

EVENT OVERVIEW

IRB Development Race Day is back for 2021. The purpose of this is to introduce IRB racing to clubs and crews and have a chance to work with some local IRB Coaches to hone your skills and understand the basic skills required to compete in various IRB race formats.

The beach will be set up with the appropriate IRB race equipment but will have more focus on development and coaching of crews compared to a normal IRB competition. We ask clubs to enter crews via EnterNOW, as well as list any coaches who would be able to offer help and support for developing crews
