Canterbury Senior Interclub #2

North Beach SLSC

Saturday 11<sup>th</sup> December 2021

# ENTRY INFORMATION

## Competition Purpose:

Second senior interclub in Christchurch for the 2021/2022 season. Racing will start 9:00am at North Beach SLSC.

For this event, we will be racing in an A/B grade format for individual craft events, rather than age groups. This allows competitors to rank themselves and compete against similar ability competitors from throughout the region.

- U15s will stay in their own age group for these events.

Run Swim Run and Team Events will be one open grade.

Beach Sprints will be one open grade.

Event like these help ensure our lifeguards are keeping fit, and skilled amongst a variety of disciplines emulating what they may have to do as a lifeguard.

This document provides you with all the information you need to know in order to enter this event. While it contains the typical logistical information surrounding the event, it also incorporates very important details that a parent and/or guardian must be aware of before entering their child into this event.

---

## COVID-19 Guidelines:

This event will follow all the latest guidelines that have been set by the NZ Government and Sport New Zealand, as per the [COVID-19 updates on the SLSNZ website](#).

This includes all competitors, coaches, managers, officials, event water safety, and any parents who wish to be in these areas.

Everyone must enter the arena through **one** entry point where they will present their My Vaccine Pass, either on their phone and paper copy. Once scanned in, you will be allocated a wrist band you are to keep on for the entirety of the event which allows you in the event space.

Inside the event space, face masks are encouraged for those not actively competing, or lifeguarding, and social distancing practices are strongly recommended.

# COMPETITION SAFETY INFORMATION

## Competition Safety Plan:

The Competition Safety Plan will be made available for viewing in the Event Management Area following the team managers and officials briefing and during the event.

### **Parent, Guardian, Coach, Team Manager and Club Obligations**

It is the responsibility of clubs, through their coaches and manager, to ensure that each individual competitor is competent to safely compete in the conditions that prevail on any given day.

It is therefore the clubs' responsibility to ensure that competitors who are not yet competent to compete in the prevailing conditions are withdrawn from an event rather than expose them to unnecessary risk or potential harm by encouraging or coercing competitors to compete, particularly against their will. Please refer to statement (e) of the Agreement to be bound by the Manual section of the Surf Sports Competition Manual. The Manual can be found [here](#).

It is the expectation of the organisers that all clubs will only permit competent competitors to compete in an event.

### **Dune and Environment Protection**

As per all our events dune and environment protection is the responsibility of everyone and as Surf Life Saving members please make sure you look after our beaches and sand dunes. If you see anyone walking through the dunes or placing equipment in areas they shouldn't be, please advise them to remove it or inform event management. Please make sure all rubbish is placed in the bins supplied or taking with you.

### **Missing Person at Sea Responsibilities**

Whether you are an Athlete, Official, in an IRB, Team Manager/Coach or a spectator, we all have a role to perform if someone goes missing in the water during an event or activity. Check out your role and how you may help in this situation by [clicking here](#).

---

## Equipment:

### **Equipment Labelling**

All equipment needs to be clearly labelled with the club for which the athlete/s is racing for. It is recommended that this be placed on an easily identifiable area i.e. the front/centre of the board, between the two straps, or for skis, clearly labelled on the nose and/or tail

### **Scrutineering**

Random scrutineering may take place at the discretion of officials, with particular regard to craft and/or equipment that may pose a health and safety concerns. With consideration to the above, we encourage all participants to carry out an inspection of their equipment for sharp edges that could cut in advance of the competition.

### **Competition Safety Vests**

The wearing of **yellow** high visibility vests will be mandatory at this event. Supplying safety vests is a club responsibility and must be in line with the SLSNZ guidelines for safety vests. This information can be found in the Equipment Specification Manual [here](#).

---

## Medical Information:

### **Pre-Existing Medical Conditions**

All participants and officials with a pre-existing medical condition must complete and submit a 'Pre-Existing Medical Conditions Declaration' form prior to the close of entries. These forms are to be submitted to the Regional Sport Manager (Luke Smith) by email to [luke.smith@surflifesaving.org.nz](mailto:luke.smith@surflifesaving.org.nz). However, participants are encouraged to submit these as early as possible. Once submitted, the forms will be reviewed by SLSNZ and a decision will be made on whether a 'Competitor Waiver' form is required to be completed.

It is important to note that that a pre-existing medical condition includes a **concussion event** that has occurred prior to this event.

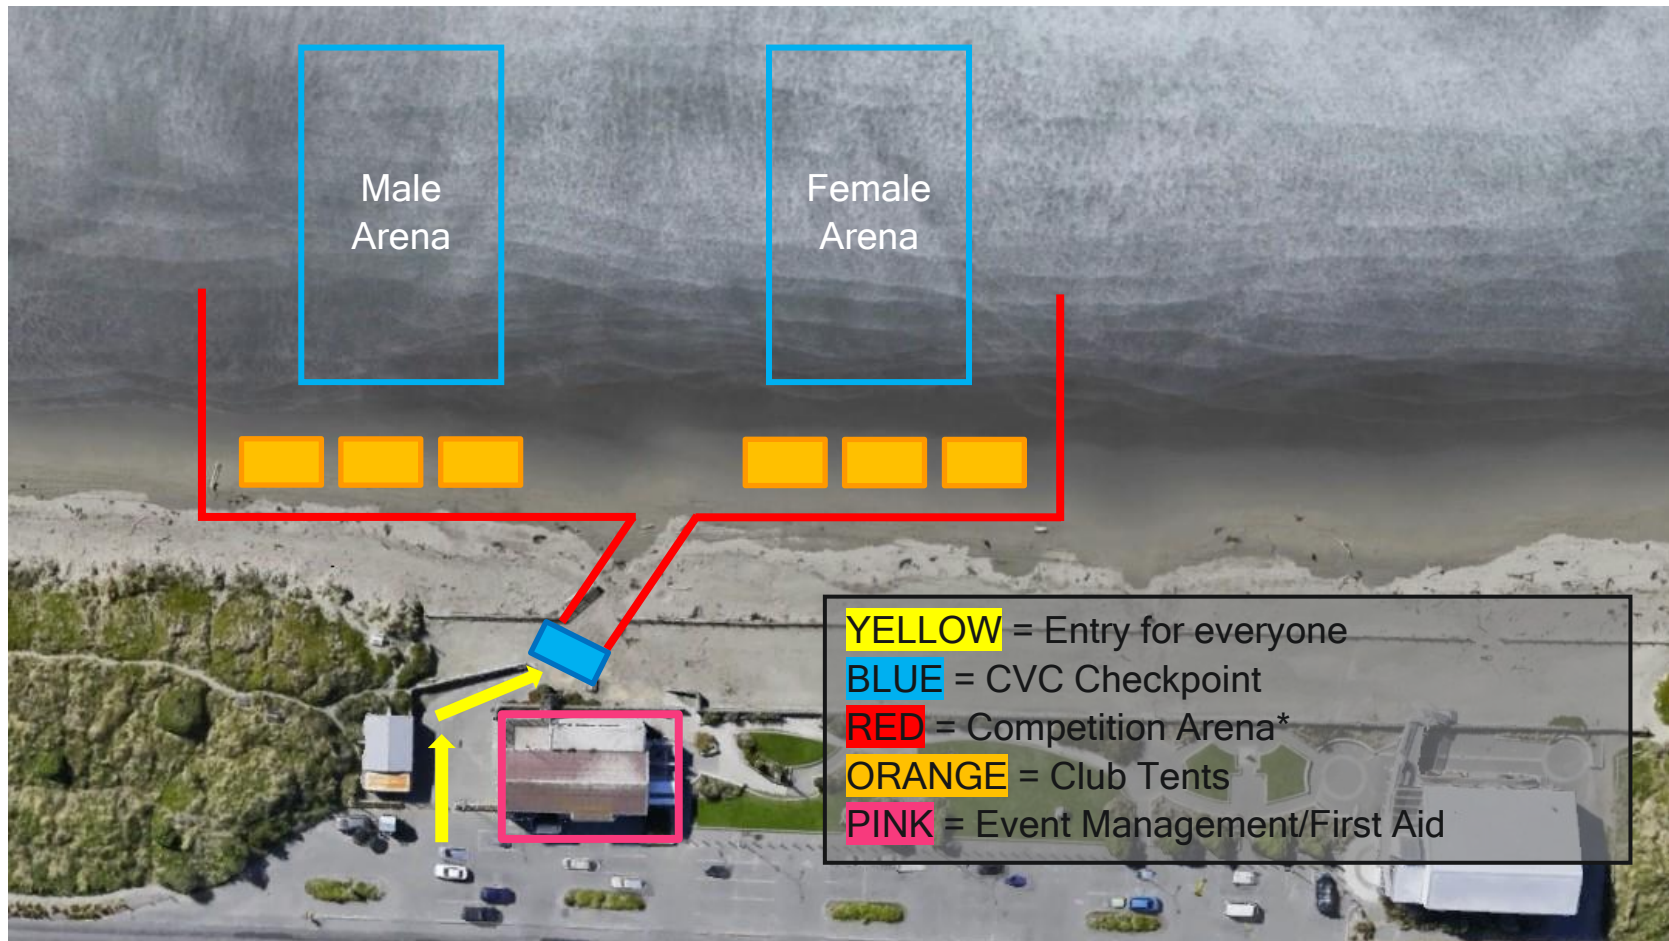

### **Concussion Protocol**

1. Any person diagnosed with concussion within the 23 days (21 days for over 19 yrs.) preceding a SLSNZ event or activity, who is not able to provide evidence of a Graduated Return to Play (GRTP), and provide a medical diagnosis and SLSNZ Medical Clearance, will not be permitted to compete in a SLSNZ event.
