PALMERS BEACH CARNIVAL

The Pāpāmoa SLSC Palmers Beach Carnival provides quality racing for senior athletes in the **U15, U17, U19, and Open** age groups in beach sprints and beach flags. This will be a valuable opportunity for some hard and fast racing and a great lead into upcoming SLS Regional and National events.

Prizes will be up for grabs across all age groups plus spot prizes. Competitors must be a current member of a SLS club and hold a vaccine passport. Please note this is the Sunday of Bay of Plenty Champs.

Beach Sprints – Competitors can race in own age group and open only

Beach Flags – Competitors can race in own age group and the age group above.
