Where: Warrington SLSC
Address: 1 Esplanade Warrington, Dunedin
Time: 9:00am start

EVENT OVERVIEW

IRB Development Race Day is back for 2022. The purpose of this is to introduce IRB racing to clubs and crews and have a chance to work with some local IRB Coaches and competitors to hone your skills and understand the basic skills required to compete in various IRB race formats.

The focus will be on development and coaching of crews compared to a normal IRB competition. We ask clubs to contact Matthew Bradley with any questions and indicate how many crews your club will be sending, as well as list any coaches who would be able to offer help and support for developing crews
