

EXHIBITOR INFORMATION

Thank you for your interest in exhibiting at **Oceans '22** - Surf Life Saving New Zealand's (SLSNZ) premier junior life saving sport event. The event will be held at **Mount Maunganui Beach, February 24 – 27, 2021**.

With over 800 competitors and an estimated 2000 family and friends from the surf life saving community in attendance, this is a prime opportunity to connect your products and services to an interested and captured customer base.

Please review the terms and conditions below and if you are interested in booking an exhibitor site, complete the form and submit by **Friday 5 February** to kirsty.festraets@surflifesaving.org.nz and rajal.middleton@surflifesaving.org.nz. Your space will be confirmed shortly thereafter.

TERMS AND CONDITIONS

- a) **TENT/MARQUEES** – exhibitors must supply their own tent/marquee, which must be within the agreed footprint area and exhibitors are responsible for the set up and pack down of their own space.
- b) **SIGNAGE** - Exhibitors can display a maximum of four signs/teardrops/banners, which must be within the allocated exhibitor footprint area.
- c) **ELECTRICITY** - can be supplied, if required, by SLSNZ to the exhibitor spaces from the commencement of the event until the conclusion of the event. This will be 230V single-phase AC supply. You will need to detail the number and type of electrical appliances that you intend to use on-site when exhibiting. This is required so SLSNZ can plan to provide adequate capacity to exhibitors. Only those appliances detailed in your application can be used at the event. All electrical appliances must comply with all relevant legislation, bylaws and regulations. Please note that you may not use your own generator due to Council requirements.
- d) **EXHIBITOR FEES**
 - \$1,000 + GST for exhibitor space footprint of 10 x 10 meters.
 - \$500 + GST for exhibitor space footprint of less than 10 x 10 meters.
 - \$100 flat fee for access to power
- e) **SET UP** (bump-in) will begin at 10am the day prior to the event commencing. Take down (bump-out) begins at the conclusion of the event. All exhibitor sites must be clear before midday on the Monday following the event. Approved Event Staff can assist with the loading and unloading of materials within the approved bump in and bump out timeframes.
- f) **ALLOCATION OF EXHIBITOR SPACE** - The placement of each exhibitor will be determined by SLSNZ. All exhibitors will be provided with a final layout of the exhibition area. **Please note subject to Covid-19 requirements and/or restrictions, SLSNZ reserves the right to alter layout and exhibitor space in order to meet our obligations and ensure a safe environment for all.**
