

SURF LIFE SAVING
NEW ZEALAND

Surf Life Saving New Zealand Radio Network Hardware acquisition and servicing guide for areas:

COROMANDEL & BAY OF PLENTY (HOT WATER BEACH – OPOTIKI SLSC)

The SLSNZ Radio Network is growing, the ability for Surf Lifeguards and patrols to communicate effectively with each other, other clubs and services is of the highest importance. To ensure that this can occur SLSNZ has selected specific local radio dealers who are completely up to date on the SLSNZ frequencies, radio protocols and operational needs. **The dealer is the only authorised dealers to sell & program radios for lifeguard patrols.** SLSNZ has national agreements on equipment and servicing cost.

Your local dealer:

Dove Communications Ltd Primary Contact: Ken van Heerden sales@dovecom.co.nz 021 734 990 PO Box 20337, Hamilton 3241

Disclaimer.

All radios on the SLSNZ Network must be purchased, programmed and serviced through your approved dealer. Radios not supplied through nonapproved dealers will be remotely removed from the network.

Approved dealers have agreements with SLSNZ which give us access to special pricing and services well below normal RRP.
