Composite Teams

We are trialling composite teams for Board & ski Relay, to enter your athletes please email the event manager no later than Tuesday 7th February at 10am.

We will need athlete's names, age divisions and gender. They will then be allocated into teams in their age divisions.

Composite teams will not race for points.

Age Groups:

Age group is determined by the competitor's age at midnight on 30th September 2022. For example, if you were 19 on the 30th September 2022, you are not eligible to compete in the Under 19 division.

Team Events; Surf Boat & Canoe collectively must all meet the age group requirements stipulated above. For example all members of the crew must be 22 as of the 30th of September 2022 to be eligible to race in the Under 23 division. This does not include sweeps for Surf Boats.

Team Substitutes:

All team substitutes must be registered in some capacity in the competition. This is to ensure compliance with event entry eligibility requirements.

An athlete that has entered into an event is capable of acting as a team substitute,

In accordance with SLSNZ Sport Policy SPS008: Event Entry Eligibility, no late entries for a team substitute will be accepted unless considered to be an 'exceptional circumstance' pursuant to Section 8 of the policy.

Active Members:

To be entered the competitors must be Active/Rolled Over into the current season. Please speak to your club administrator to get this sorted.

New members need to have applied on the [Join a Club](#) page on the website. The club admin then needs to accept their membership application – info in the [CRM User Manual](#) (page 19-20) for doing this via the CRM or the [Applications](#) user guide if using the Portal.

Officials:

This year we will again have the **SLSNZ Surf Official Policy** in place. All clubs will need to provide one qualified surf official for every 10 athletes competing. More information can be found in policies [SPS001](#) and [SPS002](#).

Wetsuits:

Wetsuits are optional (and recommended) for all Junior Surf competitors up until Christmas. After Christmas the decision to allow wetsuits for U11-U14 competitors will be made by the Event management committee pending water temperature and weather conditions on the day of the event. The decision will be communicated to the team managers and will then be their responsibility to communicate the decision to their members. U8-U10 competitors will be allowed to wear wetsuits at all events.

It is recommended that all parents prepare for events by **always** packing a wetsuit for their child/children, regardless of the weather forecast. This way if a ruling is made to allow wetsuits your child will not be hindered in anyway. Again, it is up to the club Junior Surf Coordinators/Team Mangers to circulate this message to your members.

Fluro Safety Vests:

It is **compulsory** for all Surf Sport competitors to compete wearing a SLSNZ sanctioned fluro safety vest. Any competitor found not wearing a fluro safety vest will not be allowed to enter the water. This applies to all age groups and events. No exceptions. More information can be found [here](#).

Communication and Code of Conduct

During an event all communication must go through the Team Manager. No parent, coach or competitor should approach the Arena or Event Referee directly.

No matter what role you hold on the day of an event any abuse or interference from any person will not be tolerated, and any competitor/parent/helper/coach or official judged to show behaviour that is obstructive, offensive or dangerous will be asked to leave the beach.

Parking and Beach access:

Parking will be in the public carpark along the foreshore. Parking space will be limited so please make sure you are there early with your trailers to get a park. Beach access for boats and canoes will be on the west end of Lyall Bay SLSC, once you have dropped your trailer please park away from the SLSC. Please refer to the diagram below for more detail regarding arenas and parking
