

Safe Driving Tips for Traveling Teams

If driving to events or on holiday here are our 'top travelling tips' to keeping safe on the road

1. Do the basics - wear your seatbelt and no distractions, drink, drugs or meds
2. Plan you journey – find out about any closures, detours or roadworks
3. Take your time & drive to the conditions
4. Make sure your vehicle/trailer is road ready – Registration, WOF, tyres. lights etc
5. Don't overload your racks/trailer and double-check equipment is secured
6. Have a spare tyre, jack, jumper cables, extra tie-downs packed & accessible
7. Drive with a buddy or crew – take breaks and swap drivers on long trips
8. Know your club policy if you're driving a club vehicle or towing a club trailer
9. Get your playlist sorted and put your phone away
