# COMPETITION SAFETY INFORMATION

## Competition Safety Plan:

This event will abide by the facility safety measures put in place and will adhere by the rules instructed by the facility management and lifeguard team.

### **Parent, Guardian, Coach, Team Manager and Club Obligations**

It is the responsibility of clubs, through their coaches and manager, to ensure that each individual competitor is competent to safely compete in the conditions that prevail on any given day.

It is therefore the clubs' responsibility to ensure that competitors who are not yet competent to compete in the prevailing conditions are withdrawn from an event rather than expose them to unnecessary risk or potential harm by encouraging or coercing competitors to compete, particularly against their will. Please refer to statement (e) of the Agreement to be bound by the Manual section of the Surf Sports Competition Manual. The Manual can be found [here](#).

It is the expectation of the organisers that all clubs will only permit competent competitors to compete in an event.

---

## Medical Information:

### **Pre-Existing Medical Conditions**

All participants and officials with a pre-existing medical condition must complete and submit a 'Pre-Existing Medical Conditions Declaration' form prior to the close of entries. These forms are to be submitted to the Regional Sport Manager (Luke Smith) by email to [luke.smith@surflifesaving.org.nz](mailto:luke.smith@surflifesaving.org.nz). However, participants are encouraged to submit these as early as possible. Once submitted, the forms will be reviewed by SLSNZ and a decision will be made on whether a 'Competitor Waiver' form is required to be completed.

It is important to note that that a pre-existing medical condition includes a **concussion event** that has occurred prior to this event.

These forms are available through the website [here](#).

### **Concussion Protocol**

1. Any person diagnosed with concussion within the 23 days (21 days for over 19 yrs) preceding a SLSNZ event or activity, who is not able to provide evidence of a Graduated Return to Play (GRTP), and provide a medical diagnosis and SLSNZ Medical Clearance, will not be permitted to compete in a SLSNZ event.
2. Any person observed or reported to have been unconscious during a SLS event is not permitted to participate in any further SLS event or activity, pending participation in a 23 day GRTP (21 days for over 19 yrs), and provide a SLSNZ Medical Clearance before further competition is permitted.
