

This document provides you with all the information you need to know in order to enter the 2023 New Zealand Pool Rescue Championships. While it contains the typical logistical information, it also includes very important details that a parent and/or guardian must be aware of before entering their child into this event.

Competition Purpose:

The Surf Life Saving New Zealand Pool Rescue Championships is the most prestigious event for Pool Rescue in New Zealand.

Pool Rescue is a sport that involves various lifesaving skills and techniques, which are practiced in pool environments across the county where our lifeguards and aspiring lifeguards hone skills that will keep our beaches safe.

This championship serves as the pinnacle event for Pool Rescue in New Zealand, providing an opportunity for participants to showcase their abilities and compete against their peers. It is also one of the key selection events for our national lifesaving teams as they prepare for the 2024 World Championships.

Entering the Competition:

Entries must be made using Waves, the SLSNZ Online Event Entry System. Your club has access to this system and will process your entries. Following the close of entry as detailed below entry fees will be invoiced directly to your club for payment prior to the competition.

Entries Open: Monday 31st July 2023

Entries Close: Sunday 17th September 2023, 10 pm

Late Entries: Late entries will not be permitted

Entry Fee: \$95 per U15,U17,U19, Open, Masters athlete (gst inc)

\$85 per U11, U12, U13, U14 athlete (gst inc)

Eligibility of Competitors: Please see Section 2.2 of the SLSNZ Pool Competition

Manual for a comprehensive breakdown of eligibility

criteria.

Team Manager's contact details must be updated on the online system to ensure that the relevant person receives all updated information directly. Failure to list a team manager may mean that you will miss out on vital information.

Entering Teams: You must enter the entire team for all team events otherwise your entry will not be accepted.

Seeded Races: The entry system allows you to enter the current best time for each individual athlete. Please only enter times if you have evidence of their accuracy. If you don't know the athletes best <u>current</u> times then please leave this blank. Clubs deliberately entering false times in an attempt to elevate athletes in the seeded heats, may be eliminated from these events at the Event Managers discretion without right of recourse by the club.

Entry Checks: Following the close of registrations, Session Entry Sheets are expected to be published by 12 noon on Wednesday 20th September. Team managers must check their clubs entries and notify the event manager of any scratchings and or team changes using the forms provided to clubs at this time. Scratchings for Sessions must be submitted to the Event Admin

team by 5pm Thursday 28th September (<u>events@surflifesaving.org.nz</u>). All other scratchings must be submitted using the forms provided, at least 1 hour prior to the start of the session to which the scratching applies.

Event Rules:

This event will be conducted under the rules contained in the following documents.

SLSNZ Surf Sport Competition Manual, including any additional amendments as detailed on the website and any additional requirements as communicated by the Event Management Committee. Please note that the Manual has recently been updated to the 10th Edition in 2023. Additionally members entering this event are bound by the following rules:

- SLSNZ Constitution
- SLSNZ Regulations
- <u>SLSNZ Code of Conduct</u> (Note: The Event Management Committee reserve the right to exclude competitors from further competition for poor or 'un-sportsman like' behaviour. This also applies to parents, managers and supporters)
- Drug Free Sport New Zealand
- SLSNZ Sport Policies

Copies of these documents are available from the **SLSNZ** website.

Age Groups:

Age group is determined by the competitor's age at midnight on 30th September 2023. For example, if you were 19 on the 30th September 2023, you are not eligible to compete in the Under 19 division.

Competitors in the U15 division are now able to 'race up' into any higher age division (consistent with U17 & U19 competitors). All competitors in any age group will still only be able to enter and compete in one race once e.g. an U15 competitor can only enter in one of either the U15, U17, U19 or Open division in a particular event.

Masters are permitted to compete in only one age category in each team event conducted at a Competition. Where a team Event with two competitors is conducted (e.g. line throw), the age of the younger competitor shall determine the age category of the team.

Where a Masters Team Event with three or more Competitors is conducted, the total combined ages of all team members shall determine the division in which the team must compete.

Mega Relays: The make-up of age groups for the two Mega Relays for the Pool Rescue Championships are as follows:

Junior Mega Relay - 6 x 50m

- 1 x U12 Female Swimmer (can be U11)
- 1 x U12 Male Swimmer (can be U11)
- 2 x U14 Female Swimmer (can be U13, U12 or U11)
- 2 x U14 Male Swimmer (can be U13, U12 or U11)

Competitors may push off the bottom when surfacing with the manikin.

Swim with Obstacles

<u>Junior Mega Relay – 6 x 50m</u>

Please see the <u>SLSNZ Pool Competition Manual</u> for more detail and diagrams for the above event updates.

Event Programming:

A draft programme is located in Appendix 1. Please note that it is subject to change depending on the number of entries.

Competition Safety Plan:

The Competition Safety Plan will be made available through the <u>event page</u> prior to the event commencing. The document is also available for viewing in the Event Management Area during the event.

Parent, Guardian, Coach, Team Manager and Club Obligations

It is the responsibility of clubs, through their coaches and manager, to ensure that each individual competitor is competent to safely compete in the events in which they are entered.

It is therefore the clubs responsibility to ensure that competitors who are not yet competent to compete in any of their events are withdrawn from an event rather than expose them to unnecessary risk or potential harm by encouraging or coercing competitors to compete, particularly against their will.

Please refer to 1.2 Agreement to be bound by the manual in the <u>Pool Rescue Competition</u> Manual.

Medical Information:

Pre-Existing Medical Conditions

All participants and officials with a pre-existing medical condition must complete and submit a 'Pre-Existing Medical Conditions Declaration' form prior to the close of entries. These forms are to be submitted to the Event Manager by email. However, participants are encouraged to submit these as early as possible. Once submitted, the forms will be reviewed by SLSNZ and a decision will be made on whether a 'Competitor Waiver' form is required to be completed. It is important to note that that a pre-existing medical condition includes a **concussion event** that has occurred prior to this event. These forms are available on the <u>event page</u>.

Concussion Protocol

- Any person diagnosed with concussion within the 23 days (21 days for over 19 yrs) preceding a SLSNZ event or activity, who is not able to provide evidence of a Graduated Return to Play (GRTP), and provide a medical diagnosis and SLSNZ Medical Clearance, will not be permitted to compete in a SLSNZ event.
- 2. Any person observed or reported to have been unconscious during a SLS event is not permitted to participate in any further SLS event or activity, pending participation in a 23 day GRTP (21 days for over 19 yrs), and provide a SLSNZ Medical Clearance before further competition is permitted.
- 3. Any person suspected of a concussion during a SLSNZ competition may not participate in any further races for at least 24 hours, and must provide SLSNZ with the required SLSNZ Medical Clearance before further participation is permitted.
