## AWARDS OF EXCELLENCE

# 2023 SERVICE AWARDS

# INTRODUCTION

The Surf Life Saving National Awards of Excellence recognises the contribution of our amazing members from the grass roots of Surf Life Saving during the 2022/2023 season.

We are delighted to announce this year's SLSNZ Awards Of Excellence Service Award recipients.

We are incredibly proud and grateful for all that you do and achieve. The contribution you make to Surf Life Saving, your clubs and communities is outstanding - even more so because you do this as volunteers!

Congratulations to all of our Service Award recipients.
