Club Trailers

1. Enter from the Salisbury Rd roundabout end at the road closure.
2. Proceed to the "club trailer zone". Take advice from any work party present, parking from the surf club end beside the previous trailer and working our way back.
3. Once you have decoupled your trailer and unloaded club tents etc, please exit back out the Salisbury Rd roundabout end of the road closure.

Club Tent

Club Tents can be placed on the grass in the "club tent zone" from 9am on Wednesday 5th. No tents are to be set up on the beach due to high tides and the space required for arenas.
